Price & Specs Guide

AUGUST 2026

Lepas

Welcome to the World of LEPAS

Born from the vision of the Chery Group, **LEPAS** enters the automotive landscape as the ultimate expression of sophistication, elegance, and innovation. Our name embodies the perfect fusion of the feline grace of the **Leopard** and the power of **Passion**. We speak to a discerning audience that refuses to compromise and sees mobility as an extension of its lifestyle.

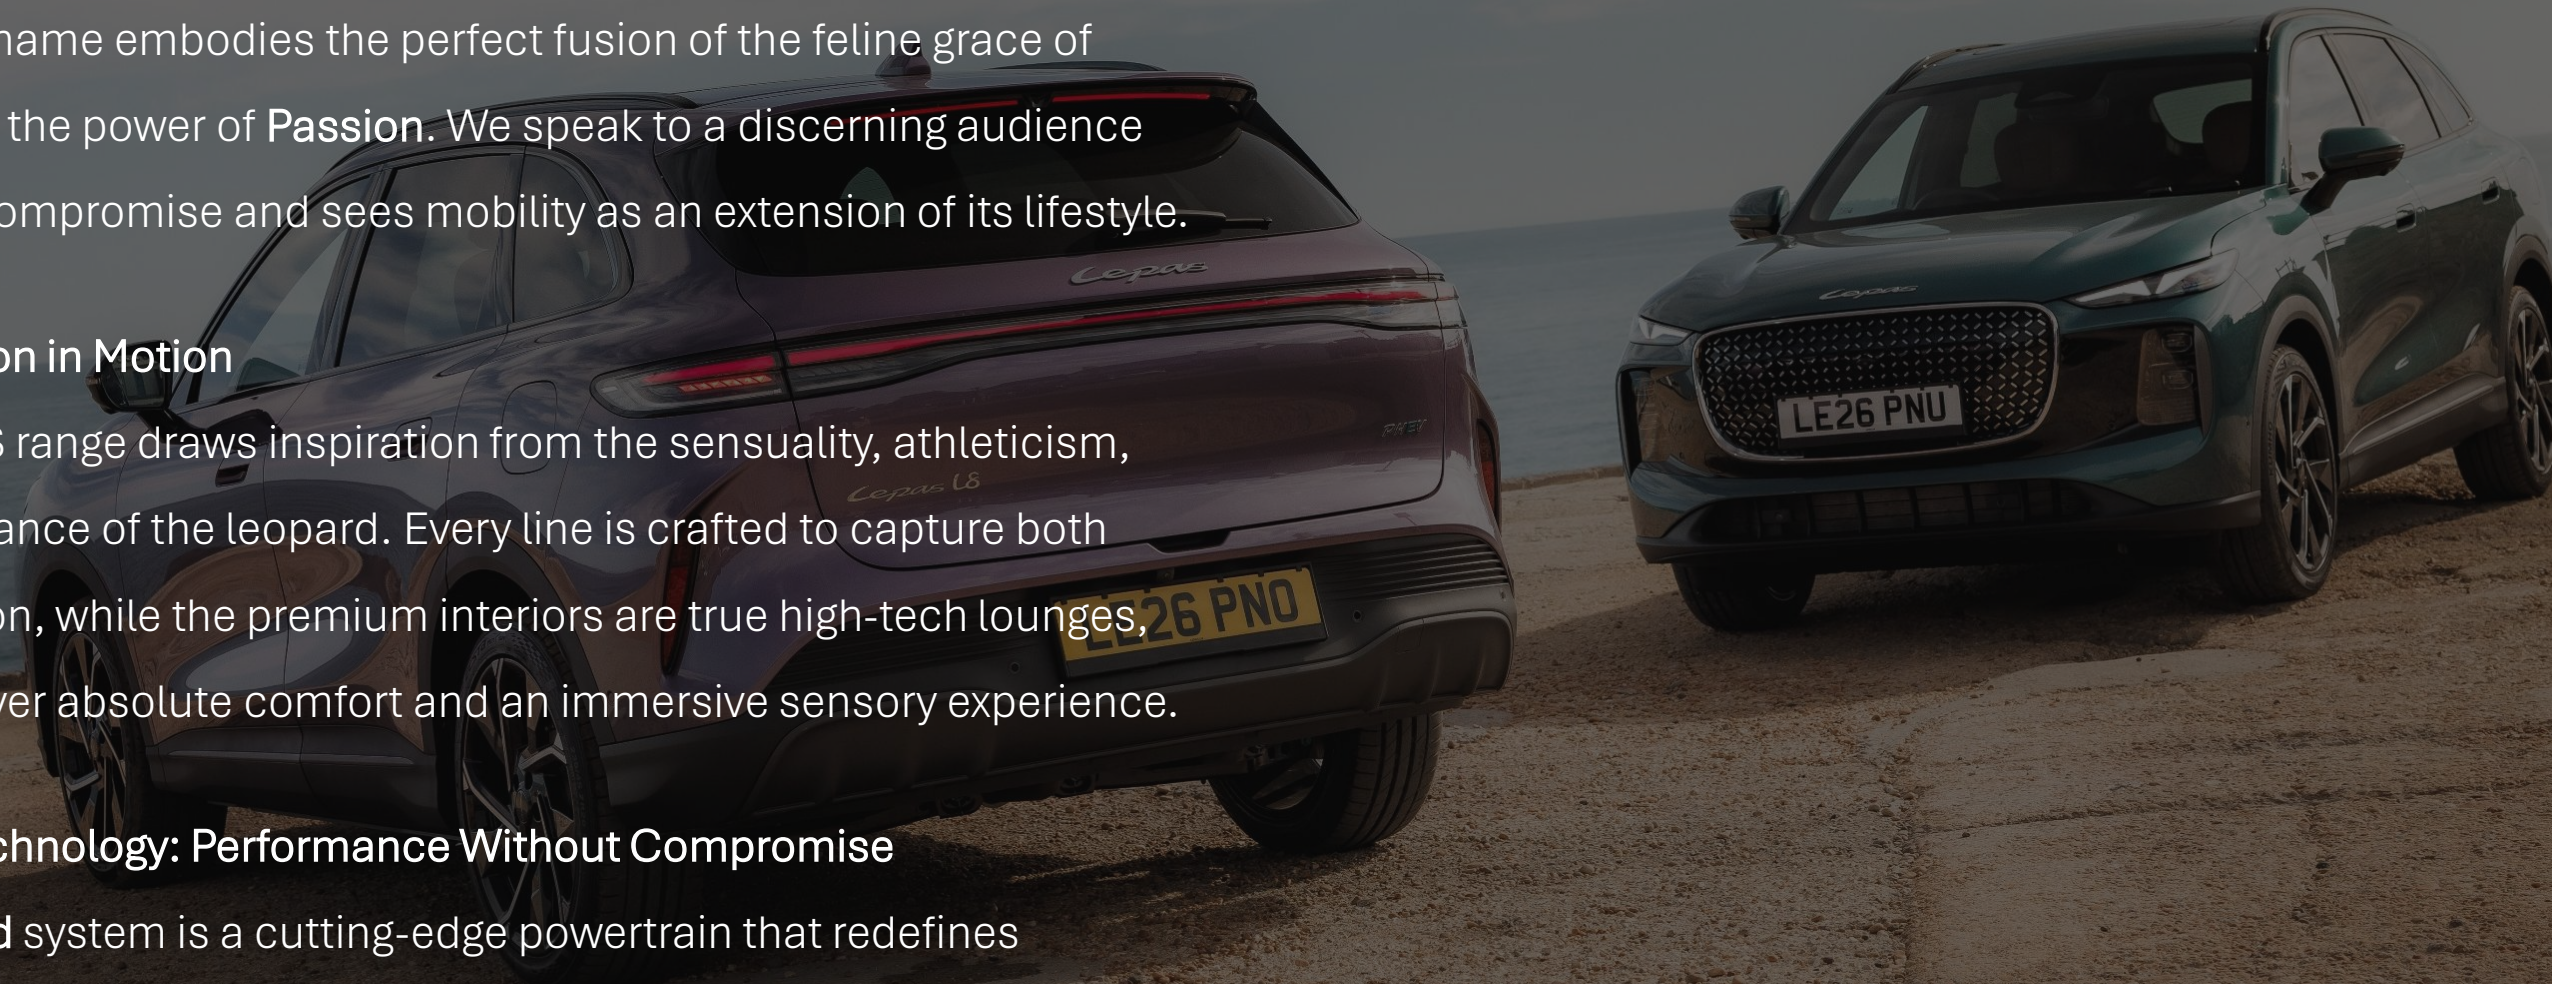

Design: Seduction in Motion

The entire LEPAS range draws inspiration from the sensuality, athleticism, and natural elegance of the leopard. Every line is crafted to capture both light and attention, while the premium interiors are true high-tech lounges, designed to deliver absolute comfort and an immersive sensory experience.

Super Hybrid Technology: Performance Without Compromise

The **Super Hybrid** system is a cutting-edge powertrain that redefines efficiency: **exceptional power and intelligent sustainability** go hand in hand, supported by the most advanced next-generation safety systems. Step inside. Discover a new dimension of modern elegance.

LEPAS. Drive your elegance.

1. **System power** and **torque** figures are derived from the combined output of the petrol engine and electric motor. Vehicle performance may vary depending on battery state of charge, ambient temperature and operating conditions.

2. WLTP figures are for comparison purposes only. Real-world fuel and electricity consumption, electric range and CO₂ emissions may vary depending on driving conditions, vehicle load, weather, climate control use and battery state of charge.

3. All prices shown are recommended retail prices and are correct at the date of publication. Prices and specifications may change without notice. Please consult your authorised LEPAS retailer for the latest information.

4. On-the-road (OTR) prices include delivery (£500), first registration fee (£55) and Vehicle Excise Duty (£115), totalling £670.

5. Please refer to the Legal Notes section of this brochure for full terms, conditions and warranty information.

Home Charging

Max 3,3kW
25-100% in 6h

AC Charging

Max 6,6kW
10 -100% in 3h 18min

DC Fast Charging

Max 40kW
30-80% in 20 min

Electric drive performance is influenced by factors including battery state of charge, ambient temperature and operating conditions.
Fuel consumption, electricity consumption, electric range and CO₂ emissions figures are determined in accordance with the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). The figures shown are provided for comparison purposes only and may not reflect real-world driving results.
Actual fuel consumption, electricity consumption, electric range and CO₂ emissions may vary depending on factors including driving style, traffic conditions, weather conditions, route profile, vehicle load, use of heating or air conditioning, and battery state of charge. Maximum electric range is achievable only under specific test conditions.

Legal Notes

PRICE LIST AND VEHICLE SPECIFICATION

All prices are recommended retail prices and include VAT unless otherwise stated. OTR prices include delivery, VED and the DVLA first registration fee. Prices, specifications, colours, equipment and availability are correct at the time of publication but may change without notice. Images are for illustration purposes only and may show non-UK specification or optional equipment. Please contact your authorised LEPAS retailer for the latest information.

WLTP FUEL CONSUMPTION, ELECTRIC RANGE AND CO₂ DATA

Fuel consumption, electricity consumption, electric range and CO₂ figures are determined in accordance with WLTP and are for comparison purposes only. Real-world results may vary depending on driving conditions, vehicle load, weather, climate control use and battery state of charge.

WARRANTY

Every new LEPAS vehicle is covered by a manufacturer warranty of 7 years or 100,000 miles, whichever occurs first. During the first three years there is no mileage limitation. The high-voltage traction battery is covered by a separate warranty of 8 years or 100,000 miles, whichever occurs first, subject to the warranty terms and conditions contained within the vehicle warranty handbook. Paintwork is covered for 3 years and body corrosion perforation for 12 years, irrespective of mileage, subject to compliance with the manufacturer's inspection and maintenance requirements. Warranty cover does not apply to items subject to normal wear and tear, routine maintenance, service items or damage arising from misuse, neglect, accident, unauthorised modification or failure to maintain the vehicle in accordance with manufacturer recommendations. Your statutory rights under applicable UK consumer legislation are not affected.
